

DIRECTIONS FOR USE

Mr. Clean Multi-Power

All-Purpose Surface Cleaner for oil soiled surfaces

Created on: 09. 06. 2009

Edited on: 09. 06. 2009

Features:

Mr. Clean Multi-Power All-Purpose Surface Cleaner serves to powerfully and effectively clean surfaces of different type soiled with oil.

Application:

Simple to use: Apply Mr. Clean Multi-Power All-Purpose Surface Cleaner onto the contaminated area, let it soak for several minutes (if necessary, work it into the surface with a brush), rinse off with water. Depending on the degree of soiling, it can also be applied diluted with water.

Storage:

Protect from heat and direct sunlight.
Store in a cool but frost free location.

Advice on handling:

Danger warning: Irritating to eyes and skin

Mr. Clean Multi-Power All-Purpose Surface Cleaner is pH neutral. Biodegradability of the surfactants contained >90%.

Mr. Clean Multi-Power All-Purpose Surface Cleaner does not require a label on hazardous substances and is not classified as Dangerous Goods within the meaning of the transportation regulations.

Technical data:

Usage:	0,5 litre / m ²
Dilution:	Can be arbitrarily diluted, depending on the degree of soiling
Other data:	See safety data sheet

Additional notes:

Our products are based on extensive laboratory examinations and applications in practice. The information sheet on hand serves as an orientation only. We cannot guarantee to reach a particular final result. The versatile application conditions require specialist counselling which we would be glad to provide. Users should carry out sufficient tests on the surfaces to be cleaned, and they are responsible for the result.
